Dear Valued Customer,

The intent of this communication is to inform you about the impact of Novel Coronavirus (COVID-19) to our business. In accordance with the “shelter-in-place” order by San Francisco Bay Area authorities, our operations in Milpitas will be closed from March 17, 2020 through April 7, 2020, or until the order is extended, rescinded, superseded, or amended. For additional information and updates, please visit the following website from local authorities:

To provide continued support and service to our customers, most of our departments are working from home. We ask for your support and understanding as we continue to make every effort to meet our delivery commitments. At this time, due to three weeks of operation closure, Isolink estimates the equivalent impact to the delivery schedule. However, we are committed to minimizing delivery delays, and continuing “business as usual” once operation is allowed to re-open.

If you have any questions or need further clarification, please reach out to your local sales contact or email us at Hirel.Sales@Skyworksinc.com.

Sincerely,

Achim Soelter
General Manager
