Description of change	Telit has announced the discontinuation of several 3G cellular modules used in Digi Gateways. As a result, Digi must discontinue the gateways that contain those modules. The affected gateways and last-time-buy details are listed below.
------------------------------	---

Replacement Product	Contact your Digi sales representative for information on next-generation gateway products coming soon. See table below for potential replacement products available today. Replacement suggestions are not direct replacements but may be sufficient in many cases.
----------------------------	--

Timing of Change	<p>LTB order requests must be received no later than March 15, 2021</p> <p>Last time shipment for allocated and confirm orders is September 15, 2021</p> <p>LTB order requests are NCNR and subject to final allocation and order confirmation. Digi holds the right to cancel new and existing orders based on component availability and financial considerations.</p>
